Note to Editor:

Modern Terminals Limited (MTL) opened Hong Kong's first purpose-built container terminal facility in 1972. Today, the company owns and operates container terminals at Kwai Tsing Container Port, Hong Kong. MTL operates and holds a majority of shares in DaChan Bay Terminals in the Pearl River Delta (PRD) and cooperates with Ningbo Port Co. Ltd. in its investment in Taicang International Gateway in the Yangtze River Delta (YRD). In the PRD, MTL also holds equity stakes in both Shekou Container Terminals and Chiwan Container Terminal.

MTL is a customer-focused service provider. The company's expertise in the industry, deployment of advanced equipment and the commitment of its people enable it to deliver a unique customer experience at the terminals it operates.

The company's mission is to be the preferred partner for world-class terminal and supply-chain services, building global connectivity for the sustainable development of local economies and the improvement of people's well-being.
